A 'ONCE IN A LIFETIME' JOURNEY...

ADRIAN SNELL is no stranger to many. His timeless music includes such works as 'The Passion', 'Alpha and Omega', 'Song of an Exile' and 'City of Peace'. Many of his songs are born out of his 'faith journey' and explore the Jewish roots of the Christian faith and its understanding.

From 19th – 26th March 2023, you have the once in a lifetime opportunity to join Adrian on a trip to the Holy Land of Israel – to explore those roots with him.

Adrian's music will be one of your guides for this trip. He will be the 'artist in residence' for the week, and treat us to a series of unique, intimate performances exploring the places that inspired his work and journey. As well as he will share stories and read from his newly released book 'Fierce Love: Music Leads A Lost Child Home'.

- Discover the roots of some of Adrian Snell's most loved work
- Explore Israel in a truly unique way – with music as a guide
- Gain a new depth and understanding of your faith

Next year in Jerusalem! – Shalom, Adrian
